Discover Ludza!

The value of the historical centre of Ludza are its streets around the castle hill and wooden architecture with peculiar architectonic details. One- and two-storey wooden houses with fine carved shutters, original gates and oak doors, red brick buildings and ruins of the Livonian castle as a the centre of the landscape this is architecture of the historical centre of Ludza, one of the 5 town construction monuments in Latvia. We offer our guests to see the old town cultural values, to know about its history and people, using the walking route "Discover Ludza". Follow signs the town symbol 50 keys in the pavements and you will feel charm of the town and presence of history: you will hear the legend about the drowned princess Lūcija and the story about the big fire of 1938. You will enjoy the panorama of the old town and lakes from the castle hill. It is worth visiting the town park close to the old town.
